

Successful organizations leave nothing to chance.....
Especially their INFRASTRUCTURE

EXPERTISE
•
UNPARALLELED

Let us help with:

- Software assessment
- Software selection
- Implementation partner selection
- Contract negotiation
- Implementation project management
- Software system audit

The Phoenix Group will customize every engagement to fit your organization's needs, budget and time schedule. Let our experts insure your software investment is maximized. We help you cut through the sales double talk to get to the solution that is right for you while creating competition for the best pricing.

Helping manufacturing, distribution, professional services and not-for-profits. In most cases, our client's savings exceed our fees. Ask us how we can help your organization with one of the most important business decisions you can make.

The Phoenix Group is 100% local to Michigan and 100% independent. We care about our community.
